Don't blame GPs for NHS crisis. Blame chronic cuts to social care

Zara Aziz

Increasing our working hours will not stop hospital trolley queues. Only the proper funding of care for older people will do that

SDLP and UUP slam Health Minister as figures hit highest level in 15 years

What is the context for the future?

- Demography
- Chronic Disease
- New Treatments
- Workforce
- Regulation
- Technology

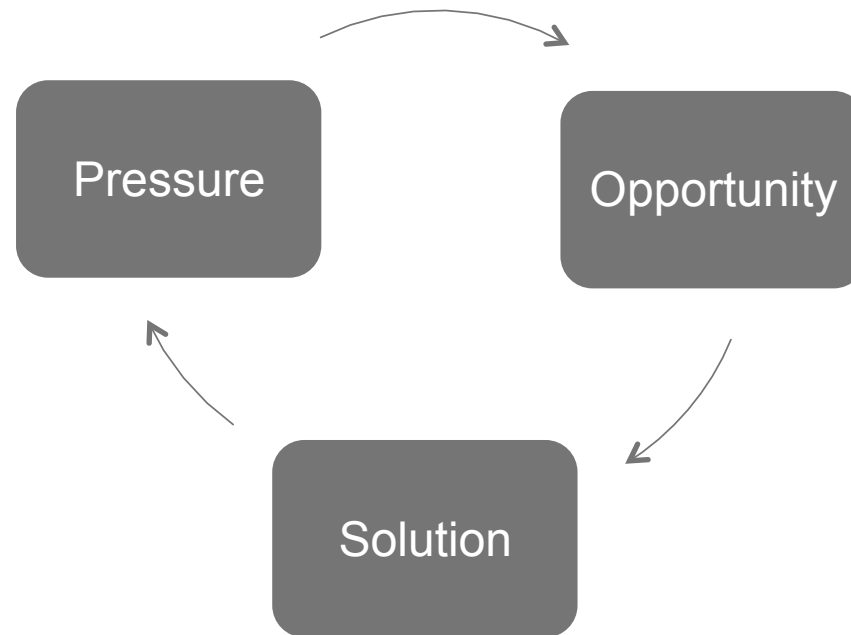

What is the context for the future?

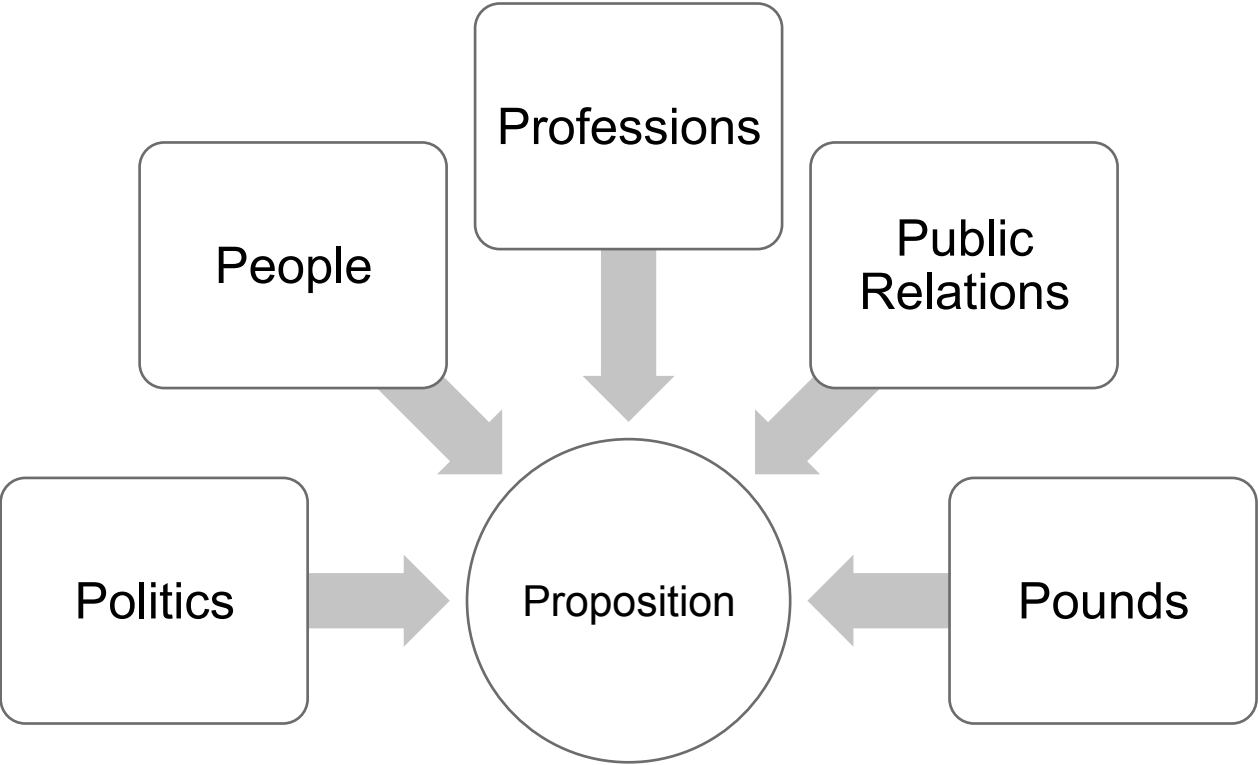

- Resources – too much, too little?
- Reform – what does it mean?
- The ‘fix it now’ philosophy
- Politics
- A thousand differing answers

How to approach the challenge

Create the proposition

What is the proposition to deliver?

- Services at home
- Re-shaped hospitals
- Strong primary care
- Modern social care
- Greater education & prevention

How to seize the future

- The trick is:
 - Secure PERMISSION
 - Understand the interplay of permission with
 - Politics
 - People
 - Professions
 - PR
 - Pounds
 - What is permission about? The ability to PROCEED

What's required?

- Focus on outcome
- Drive to achieve outcome
- Evidence to support outcome
- Relentless with implementation
- Securing personal pride in delivery by those involved

Too often
we jump to the
conclusion that
something is impossible
simply because we
cannot see the solution.

No one
knows enough to be a
pessimist.
