food4U

*Here are the steps we are taking to
make our menu healthier for you...*

OUR PRODUCE

- We use local suppliers for meat, milk, bread and seasonal fruit and vegetables
- Lean cuts of meat are used in our dishes
- We stock a range of low fat dairy products and unsaturated spreads.

OUR COOKING

- We cook with unsaturated oil and grill or bake many of our dishes
- We use low-fat dairy products in our recipes
- We add a variety of fresh vegetables.

OUR MENU

- Higher fibre cereals and porridge are available daily
- Look out for our grilled/baked/poached options as an alternative to fried foods
- A choice of salads and fresh fruit is available daily.

YOUR CHOICE

- Why not...
 - Swap your side from chips to a jacket potato, rice or salad
 - Choose wholegrain bread to boost your fibre intake
 - Add an extra portion of vegetables to your meal
 - Swap sugary fizzy drinks for water.

*Women need around 8,400 kJ or 2,000 kcal a day, and men around 10,470 kJ or 2,500 kcal a day.

Inform Our Customers:

■ OUR COOKING

- We cook with unsaturated oil
- We grill or bake many of our dishes rather than frying
- We use low-fat cheese and semi-skimmed milk in our recipes to reduce the fat content
- We add a variety of fresh vegetables

■ OUR MENU

- Higher fibre cereals and porridge are available daily
- We offer a portion of fruit, vegetables, salad or Bottle of Water in MEAL DEALS
- We offer an alternative to chips everyday
- A choice of salads and fresh fruit is available daily

The Pull up stand also Gives some advice

- low fat spread available as well as butter
- Why not add an extra portion of vegetables
- ‘Swap your side’ from chips to a jacket potato or side-salad to reduce the fat and add extra fibre
- Swap to wholegrain bread to boost your fibre intake
- For something sweet we have a variety of low fat yoghurts and fruit salads to finish off your meal and help you get closer to ‘5-a-day’ recommendation
- Swap sugary fizzy drinks for water
